## **FORBES PSYCHOLOGICAL SERVICES' EAP**

Benefits are gained by employees through improved psychological health. The Forbes Psychological Services' EAP allows employees to resolve personal, family and work related issues before they impact job performance. The Forbes Psychological Services EAP provides employees with access to a full range of professional and confidential counselling services in Edmonton, Calgary, and throughout Western Canada.

Forbes Psychological Services is committed to providing the highest standard of care to support the personal well-being of individuals and organizations. Forbes Psychological Services' staff network in Edmonton, Calgary and across Canada is

comprised of a combination of Ph.D. and M.A. level registered clinical psychologists as well as registered M.S.W. level clinical social workers.

Our service includes counselling for a broad range of personal and family problems and is designed so that programs can be tailored to meet the specific needs of those we serve. Clients receive completely confidential service, protecting privacy, integrity and self-respect.

### **SCOPE OF SERVICES**

Our services offer confidential, professional assessment and treatment for a broad range of difficulties including:

- Alcohol & drug abuse
- Marital/relationship and family problems
- Depression

- Stress, burnout and work-related issues
